

Americ® Confined Space Ventilators

VAF3000A/B

Confined Space Ventilators

Why take the chance with "less than the best", when lives are on the line?

Often imitated but never duplicated, Schaefer's Americ® brand Confined Space

Ventilators are the industry standard when it comes to providing safe and reliable ventilation in any confined space working environment. These blowers are rugged and reliable while providing unrivaled performance to ensure a safe, comfortable and controlled environment in the most extreme areas.

VAF8000A/B

Features & Benefits

- Industry leading airflow in all sizes. Rated from 750-10,000 CFM!
- Dual wall polyethylene housing designed to withstand the harshest of conditions, providing years of durability and dependability. Many have lasted 10+ years!
- Premium quality motors are rated for 100,000+ hours of heavy duty, continuous use, which results in an unmatched ROI in the market.
- Safety tested to UL, CSA and CE certifications, exceeding industry standards.
- Provides positive and negative airflow (blows and extracts).
- Lightweight for easy portability.
- Stackable to save storage work area space.
- Extensive line of accessories for ease of use and storage.

Confined Space Ventilator Accessories

Duct with Quick Connect

Available in 8", 12" & 20" diameters, 15' or 25' lengths. Our ducts are made of flexible, light duty vinyl, woven polyester. Easily retractable and designed to handle large volumes of air at relatively low pressure. In addition, they can be flame-retardant and easily connect to fans for positive and/or negative airflow.

Bag-O-Duct

Available in 25' length, this duct hose, made of flexible light-duty vinyl, woven polyester is designed to collapse into its own attached carrying bag.

Duct Coupler

This metal circular ring will allow you to connect multiple sections of duct.

Best Seller!

Duct Carriers

These lightweight polyethylene carriers are ergonomically designed to hold up to 25' of flexible ducting. The totally enclosed design helps reduce exposure to the elements, increasing the life expectancy of the ducting. 8" & 12" duct sizes only.

Duct Storage Racks

Our durable metal rack is perfect for safe duct storage. It can store up to (2) 15' duct lengths or (1) 25' duct. The retention bar is engineered to securely hold compressed duct while allowing for easy removal. In addition, the centrally located handle is designed for maximize portability.
